

AVEVA World Conference – North America Award Opportunities

Submission Deadline: November 4, 2019

We are excited to announce that at AVEVA World Conference 2019 in Orlando, we will recognize several of our customers for innovative strategies and use of our products to achieve business value. To have your submission considered, please review the available awards and instructions below. One winner from each category will be selected and then presented with an award at the conference. Please note that submissions without a description will not be considered.

Submission Requirements

- 400-500 word submission including explanation of who, what, when, where, why, how and benefits for the project or application.
- Example screenshots, report and/or system architecture to support the above explanation
- All entries must be sent software.events@aveva.com by October 30, 2019
- All entries should be from projects completed in the previous two years unless otherwise noted.
- A delegate from the winning company must be in attendance to receive the award
- Distributors, Partners and System Integrators are invited to submit on behalf of a named customer following the above guidelines. Only the System Integrator award can be applied directly.
- For additional information on the event, visit the [conference website](#) or email software.events@aveva.com.

Awards Available for Submission

1. AVEVA Collaborate Award
2. AVEVA Pioneer Award
3. AVEVA Create Award
4. AVEVA Catch Award
5. AVEVA System Integrator Award

Full descriptions available on the next page

Award	Description
<p>AVEVA Collaborate Award Commends companies who bring constituents together to overcome challenges and spark innovation.</p>	<p>This award recognises a company who has demonstrated innovative ways of using AVEVA tools to drive collaboration and improve working practices. Criteria: Adoption of AVEVA products and solutions in innovative ways; ROI metrics and profitability measures.</p>
<p>AVEVA Pioneer Award recognizes companies which have successfully empowered people and industries to boost efficiency, ensure sustainability and promote thriving communities and ecosystems.</p>	<p>This award recognizes companies who have gone above and beyond in their digital transformation to pioneer sustainable working practices and drive innovation and efficiency in the workforce. Criteria: Use of fresh techniques to enable the workforce or boost collaboration, teaming & empowerment – putting the individual at the heart of digital transformation.</p>
<p>AVEVA Create Award recognizes companies who use AVEVA solutions to unlock opportunity, drive positive change and create business value in innovative ways.</p>	<p>This award focuses on a company or institution which has pioneered a truly innovative digital vision to drive growth in its business, promote collaboration and empower its people to achieve. Criteria: Evidence of an enterprise-level digital transformation strategy that is driving adoption of new techniques and putting humans at the heart of digital transformation, embodying AVEVA’s brand values eg innovative deployments of UDE, UOC, big data and analytics in the cloud, IIoT, AR/VR to enhance capabilities and decision-making.</p>
<p>AVEVA Catch Award Recognizes companies with the largest single event dollar amount savings due to predictive analytics preventing an asset’s destruction or plant process downtime.</p>	<p>This award recognizes the customer with the single largest savings in a single loss prevention event. AVEVA believes that use of predictive analytics can eliminate unplanned downtime through preventive maintenance in advance of a failure.
