

Customers and visitors coming to Schneider Electric, Lautrupvang 1 (DK 2750, Ballerup) for training, have got two main alternatives for accommodation:

1. To stay in the town of Ballerup, especially suitable for very short stays.
2. To stay in Copenhagen city center and commute daily to the office by train (approximately 40min trip from the Central Train Station to Malmparken Station, which is around 1km distance from the Schneider Electric offices).
